

NATURE'S 9-1-1

Health assistance is of highest importance whether it is required due to minor or major circumstances. Preparedness, like insurance, is something you hope you never actually need, but it does provide a bit of peace-of-mind in a very anxious world. Start your preparations by making plans to attend this empowering seminar.

NATURE'S 9-1-1

This seminar offers a common-sense, "place to start" approach to essential preparations that every Natural Health Practitioner and household should make – in case they find themselves suddenly thrust onto "Ground Zero."

HIGHLIGHTS OF THE SEMINAR

- General concepts for working with minor and major incidents
- Guidelines for assembling and maintaining your I.C.E. Chest (In Case of Emergency)
- How to make or stockpile the elixirs that could be life-saving
- How to use available natural resources and preserved herbs
